

Teddy Geiger, Confidence

Wandering the streets in a world underneath it all
Nothing seems to be
Nothing tastes as sweet as what I can't have
Like you and the way that you're
Twisting your hair 'round your finger
Tonight I'm not afraid to tell you
What I feel about you

Chorus

Oh, I'm gonna muster every ounce of confidence I have
Cannonball into the water
I'm gonna muster up every ounce of confidence I have
For you I will, for you I will

Forgive me if I stutter
From all of the clutter in my head
Cause I could fall asleep in those eyes
Like a waterbed
Do I seem familiar
I've crossed you in hallways a thousand times
No more camouflage I want to be exposed and not be afraid to fall

Chorus 2

Oh, I'm gonna muster every ounce of confidence I have
Cannonball into the water
I'm gonna muster up every ounce of confidence I have
For you I will, for you I will
You always want what you can't have
But I've got to try
I'll muster every ounce of confidence I have
For you I will, for you I will

If I could the lights in the mall and create a mood, I would
Shout out your name so it echoes in every room, I would
That's what I'd do, That's what I'd do, That's what I'd do
To get through to you, yeah

Chorus 2
