

Teddy Geiger, She's On My Mind

(feat. Faction)

Goin on missing my baby
Haven't seen her that much lately
and though she seems unchanged by time
She's not even sayin' hello
She said goodbye
I think about it all the time
She's on my mind
I wish I had her in my life
But she said goodbye
Yeah, yeah
She said goobdye
Yeah, yeah
I don't think she knows
What she's doin to me
When she said goodbye
Well she runs from the sound of my feet on the ground
And she screams when I cried out loud
When I cried out loud
She said goodbye
I think about it all the time
She's on my mind
I wish I had her in my life
But she said goodbye
Yeah, yeah
She said goodbye
She said goodbye
I think about it all the time
She's on my mind
I wish I had her on my life
But she's in my mind
Yeah, yeah
She's on my mind
Yeah, yeah
