

# Teddy Geiger, She's On My Mind

(feat. Faction)

Goin on missing my baby  
Haven't seen her that much lately  
and though she seems unchanged by time  
She's not even sayin' hello  
She said goodbye  
I think about it all the time  
She's on my mind  
I wish I had her in my life  
But she said goodbye  
Yeah, yeah  
She said goodbye  
Yeah, yeah  
I don't think she knows  
What she's doin to me  
When she said goodbye  
Well she runs from the sound of my feet on the ground  
And she screams when I cried out loud  
When I cried out loud  
She said goodbye  
I think about it all the time  
She's on my mind  
I wish I had her in my life  
But she said goodbye  
Yeah, yeah  
She said goodbye  
She said goodbye  
I think about it all the time  
She's on my mind  
I wish I had her on my life  
But she's in my mind  
Yeah, yeah  
She's on my mind  
Yeah, yeah
