

Teddy Thompson, Sorry To See Me Go

I might be leaving soon
Away with the new moon
Just wanted to let you know
In case you might be sorry to see me to go

Yeah I must be going now
Train leaves on the hour
Don't think I'm coming back
I'm just wondering what you think of that
And I saw you in the bar last night
Taking drinks from every guy
Foolish me for thinking we had something

So I guess I'll move along
Find somewhere else to sing my song
Don't say it I think I know
You won't be sorry to see me go
