

Teddy Thompson, That's Enough Out Of You

Hey now
That's enough out of you
I get tired
Just watching your jaw move

People that talk this much
Have nothing to say

You're so up there
It brings me down
I wanna turn your smile
Into a frown

Being happy is easy if you're dumb

And I've tried to get you out of my life
But you seem to enjoy being used
I've lied cheated been unkind
What else can I do?

And living in your world must be fun
With no idea what's going on
Just thinking you're the bomb!
