

# Teen Idles, Fiorucci Nightmare

Fiorucci nightmare, asshole's dream  
Spend all your money on the fashion machine  
Spots and stripes and spandex pants  
Pay a hundred dollars to learn how to dance  
Spend fifty dollars on a sweater  
Think it's gonna make you look better  
See how tight your pants will fit  
What you gonna do when they start to split  
Learn your fashion from a magazine  
Do you rally think you're in our dreams  
Down in Georgetown in a fashion race  
For the guys to see how high you rate
