

# Teen Idles, Minor Disturbance (Too Young Too R

Nine o'clock, no stamp on your hand  
It's hard to rock when you can't see the band  
You have enough money to pay the rates  
But you can't get in because of your age  
Minor Disturbance, stopped at the door  
Not new to you, cause it's happened before  
Friends are on the floor, band is on the stage  
You missed another show because of your age  
Go down to another part of town  
Just so they can't turn you down  
Not because of a sold-out house  
You're not eighteen and that's what counts  
We're too young to rock  
We're too young to rock
