

# Teen Idols, Ketchup Soup

It may be hard when it's just me and you  
Hope makes a meal when we eat Ketchup soup

I know it's hard when we sell plasma to pay for dinner  
I promise it'll all pay off some day  
It's funny  
No Money  
Makes childrens noses runny

It may be hard when it's just me and you  
Hope makes a meal when we eat Ketchup soup
