

Teena Marie, Behind The Groove

Hey, baby (Oh, yeah)
Let me take you to Xanadu (Where is that?)
Behind the groove (Well, alright)
Hoo...

(Behind the groove)
There's another side inside of you
(Behind the groove)
You can make your wildest dreams come true

So get on up (Behind the groove)
And shake your body (Get behind the groove)
Open up and take the music in (Get behind the groove)
You better get on up (Behind the groove)
Come to the party (Get behind the groove)
Life is waitin' for you to begin

(Behind the groove)
You can dance forever and a day
(Behind the groove)
There is romance just a glance away

Got to move, get behind the groove
Why don't you let your spirit play
Another me and another you
If we make it through to Xanadu, ooh

(Shake your body, shake your body) Ooh
(Shake your body, shake) Come on, I'll take you to Xanadu
(Shake your body, shake your body)
(Shake your body, shake)

(Behind the groove)
You can put away your masquerade
(Behind the groove)
You won't ever have to be afraid

So get on up (Behind the groove)
And shake your body (Get behind the groove)
Open up and take the music in (Get behind the groove)
You better get on up (Behind the groove)
Come to the party (Get behind the groove)
Life is waitin' for you to begin

(Behind the groove)
Open your eyes and see what's in store
(Behind the groove)
I must be the one you're searchin' for

Got to move, get behind the groove
Why don't you let your spirit play
Another me and another you
If we make it through to Xanadu, ooh

(You ought to go with me)
Shake it on up, shake it on down, shake it on up
Shake
Shake it on up, shake it on down, shake it on up
Shake (A-la-la-la)
Shake it on up, shake it on down, shake it on up
Shake (A-la-la-la)
Shake it on up, shake it on down, shake it on up
Shake (A-la-la-la)

Everybody sing la-la-la

Got to move, get behind the groove
Why don't you let your spirit play
Another me and another you

You can put away your masquerade
You won't ever have to be afraid of me
Open up your eyes and see what is in store
