

# Teena Marie, Chains

Oh, I'm a prisoner in cell block Y O U  
I can't escape and I don't know what to do  
You treat me bad but my love keeps growing stronger  
Can't turn away and I can't hold out any longer

Chains, my baby's got me locked up in his chains  
Sometimes I just don't even know the game  
My baby's got me locked up in his chains  
Sometimes I just don't even know my name

You got me sittin' here, out of gear, a prisoner of your love

Oh, I'm a prisoner in your penitentiary  
I've been convicted and my sentence is first degree  
I might as well just put my numbers and my stripes on  
Cause I'll be here with you till all else but the hype is gone

Chains, my baby's got me locked up in his chains  
Sometimes I just don't even know the game  
My baby's got me locked up in his chains  
Sometimes I just don't even know my name

You got me sittin' here, out of gear, a prisoner of your love

Boy I'm just a captive in your penitentiary  
Here I am in Alcatraz just throw away the key  
Lock it up tight, sho you right, it's all that I can do  
Ball and chain it's all a game in cell block Y O U

Chains  
Lock it up  
Lock it up tight, sho you right lock'n up my loving  
Lock it up tight, sho you right locking up my loving
