

# Teena Marie, Midnight Magnet

Late night interaction on the telephone  
You called me up to tell me that you were alone  
Talkin' 'bout the powers that could set you free  
I rushed right over with my newfound energy

The knock on the door seemed unfamiliar to you  
Do I detect a surprise or two  
You said something came up and I would have to go  
I look over your shoulder it's a girl I know

No circumspect  
I won't forget  
No light as yet  
I'm so upset midnight magnet

No circumspect  
I won't forget  
No light as yet  
I'm so upset midnight magnet

(Midnight magnet) You gave me kisses so unreal  
(Midnight magnet) You blew my mind, so what's the deal  
(Midnight magnet) I'm talkin' 'bout the way I feel  
(Midnight magnet)

River eyes, I crossed the state line nearing down  
Thinkin' 'bout the times the magnet turned me on  
I closed my eyes one instant right on junction east  
I used to be the beauty, now I am the beast

The comedy of errors took me to the cliffs  
The pedal to the medal, now my gears won't shift  
The last thing I remember was my mama's call  
I woke up three weeks later in the hospital

No circumspect  
I won't forget  
No light as yet  
I'm so upset midnight magnet

No circumspect  
I won't forget  
No light as yet  
I'm so upset midnight magnet

(Midnight magnet) You gave me kisses so unreal  
(Midnight magnet) You blew my mind, so what's the deal  
(Midnight magnet) I'm talkin' 'bout the way I feel  
(Midnight magnet)

How can you run from a dream living inside me  
I say I care, it isn't fair, what's gonna be  
I wanted you to love me, love me, love me  
Like I loved you, loved you, loved you, loved you, oh

I thought you said you loved me  
Midnight magnet  
I thought you said you loved me  
No...

I thought you said you loved me  
Midnight magnet  
I thought you said you loved me  
No...

I thought you said you loved me  
Midnight magnet  
I thought you said you loved me  
Midnight

(Midnight magnet) You gave me kisses so unreal  
You were the magnet and I was the steel  
Call it what you wanna, but you know it was the magnet  
Call it what you wanna, but you know that it was wrong  
No, no, no, no  
No, no...

Doo doo doo doo  
Midnight magnet  
Dum doo doo  
Oh...oh...oh...oh...  
Midnight magnet  
Midnight, midnight magnet
