

Teenage Fanclub, Can't Feel My Soul

What I'm seen through
Is what I've seen
And what I've been through
Is what I've been
Now I've found out
What I need
Where I've been to
Is what I am
What I'm doing
Is what I can
Now I've found out
What I need

I can't feel my soul
Without you I can't feel my soul
I can't feel my soul
Without you I can't feel my soul

What I've found out
Is what I've found
I can't live without
Having you around
You what I need and
I needed you

Now I've found out
What I need

I can't feel my soul
Without you I can't feel my soul
I can't feel my soul
Without you I can't feel my soul
