

Teenage Fanclub, Filler

(McGinley)

I've been thinking about the selfish way
You've been going about your business
Trying to find my mind
I'll let you know

When you gonna find some time to teach ya
?
time to let things go

I don't mind, if you're trying to let me go

Try to find a ?
?
?
You're mine all the time

Can ? your soul
?
?
?

Why, do you find, when you're going, let me know
