

# Teenage Fanclub, For You

It's for you  
It's for you  
It's for you  
It's for you  
It's for you  
It's for you  
It's for you  
It's for you

I know you  
I know you  
I know you  
I know you  
I know you  
I know you  
You know who

It's for you  
It's for you  
It's not me  
It's for you  
It's for you

I know you  
I know you  
I know you  
I know you

I know you  
I know you  
I know you  
I know you  
I know you  
I know you  
I know you  
I know you
