

Teenage Fanclub, I'll Make It Clear

They think they know us
But they don't know us
In love there's nothing
That they can show us anymore
It's never been like this before

I'll make it clear
I love you dear

Just something simple
And unaffected
We're getting closer
Than we expected to be
It's me for you and you for me

I'll make it clear
I love you dear

Dear...
Dear...

Your life was darker
And I think you lost your way
Stumbled into your life
To brush the past away

I'll make it clear
I love you dear

Dear...
Dear...
Dear...
Dear...
