

# Teenage Fanclub, Too Involved

You never talk about it  
If it's too involved  
You don't wanna know  
Let it go  
Let it go

And in the morning sun  
Everything is fine  
And it's alright  
Till you open your eyes  
Open your eyes

You're thinking about yourself  
Thinking about your life  
Thinking about your wealth  
? it's nothing  
It's nothing

You never talk about it  
If it's too involved  
You don't wanna know  
Let it go  
Let it go

And in the morning sun  
Everything is fine  
And it's alright  
Till you open your eyes  
Open your eyes
