

Teenage Fanclub, Total Weirdness

Wanna see your face
On my pillow
I won't explain
What I don't know

I'd feel pain
If you'd phone up and say no
I won't complain
When all my love is let go

Wanna see your face
I'm coming back tomorrow
While I'm away
I don't want ? to follow

I'd be amazed
If all you said was hello
I won't complain
When all my love is let go

I won't complain
When all my love is let go
I can't explain
So I'll come back tomorrow
