

Teenage Head, Let's Shake (Gord Lewis)

Give me that opener, give me that beer
Move your ass, on out of here
Well, I guess you know, I need somebody
But you are just, too fat and ugly
So let's shake
Ooh, baby, let's shake
C'mon, baby, let's shake
Ooh, baby, let's shake
Honey, turn me on
You can't dance, I see it, to that beat
Well that's because you got size twelve feet
Well don't make me run, don't make me blush
You're just that girl, that I love to touch
So let's shake
Ooh, baby, let's shake
C'mon, baby, let's shake
Ooh, baby, let's shake
Baby, turn me on
Every time I see you dance
Hey! Where'd you get, those great big pants
Just one ear, just one eye
Just one glance, and I could die
So let's shake
Ooh, baby, let's shake
C'mon, baby, let's shake
Ooh, baby, let's shake
Baby, turn me on
Let's go
Goodbye
Nice try
Goodbye
Go
Let's shake
Ooh, baby, let's shake
C'mon, baby, let's shake
Ooh, baby, let's shake
C'mon, baby, let's shake
