

# Tegan & Sara, Back In Your Head

Build  
A wall  
Of books  
Between us in our bed  
Repeat  
Repeat  
The words that I know we both said  
Relax  
Into  
The need  
We get so comfortable  
Remember  
When  
I was so strange and likable

I just want back in your head  
I just want back in your head  
I'm not unfaithful but I'll stray  
When I get a little scared  
When I get a little scared  
When I get a little

When  
I jerk  
Away  
From holding hands with you  
I know  
These habits hurt important parts of you  
Remember when  
How sweet and unexplainable  
Nothing like this person, unlovable

I just want back in your head  
I just want back in your head  
I'm not unfaithful but I'll stray  
When I get a little scared  
When I get a little scared  
When I get a little scared  
When I get a little

Run, run, run  
Run

Run, run, run  
Run

I just want back in your head  
I just want back in your head  
I'm not unfaithful but I'll stray  
I'm not unfaithful but I'll stray  
I'm not unfaithful but I'll stray  
I'm not unfaithful but I'll stray
