

Tegan & Sara, Don't Confess

Don't think I'll confess
Don't think I'll confess that I
Don't think I'll deny
Don't think I'll deny that I
Don't be so hard on yourself
You won't get better till you get worse
Yeah you send a little smile my way
And don't be so hard on yourself
You won't get better til you get worse
Yeah you send a little love my way
Every second I spend waiting
Drags me closer to this grave
I'm not alone
No, I'm just on my own
And I, it's a little cold outside
Don't think I'll escape
Why would I escape you
Don't think I'll replace
How could I replace you
And don't be so hard on yourself
You won't get better til you get worse
Yeah you send a little smile my way
And don't be so hard on yourself
You won't get better til you get worse
Yeah you send a little love my way
And every second I spend waiting
Drags me closer to this grave
I'm not alone
No, I'm just on my own
And I, it's a little cold outside
And so don't be so hard on yourself
You won't get better til you get worse
Send your love my way
