

# Tegan & Sara, Emaculation

you know I'd love to see you  
even more all the time  
I'm draggin' you down and backwards  
and upside down  
when you leave me here, I'm beggin'  
can't you see I'm more than  
I know I'm not the only one who needs you like I do  
and I know I'm not the only one who loves you like I do  
always understanding  
you look good to me  
does it make it all  
does it hold you still to it  
does it make you wonderful  
and if I go off the track  
will you wait for me?  
will you wait?  
and I know I'm not the only one who needs you like I do  
and I know I'm not the only one who loves you like I do  
and you're so amazing, so amazing to me  
and you wait looking lonely  
I ache it along you  
fortune, it moves you  
she's goin' to let you hold you  
my head to you, my arms are forward  
the strength I give  
the places I've never been  
and now I'm so scared  
tell me won't you hold my hand  
and I'm trying so hard  
I don't wanna let you down  
and I know I'm not the only one who needs you like I do  
and I know I'm not the only one who loves you like I do  
but you're so amazing, so amazing to me  
I know I'm not the only who needs you like I do  
and I know I'm not the only one who loves you like I do  
God will let you in  
When there ain't no place to turn  
I was without you  
I was with you
