

Tegan & Sara, Fix You Up

What do I, what do I, what do I need
To do to get myself in a better mood
What do you, what do you, what do you need
To do to get yourself in a better mood
Well there's not a lot for you to give if you're giving in
And there's not a lot for you to feel if you're not feeling it
You bring it up and bring it in and we'll get you fixed up in no time
What I wanted most, what I wanted most, what I wanted most
Was to get myself all figured out
And what I figured out, what I figured out, what I figured out
Was that I needed more time to figure you out
There's not a lot for you to give if you're giving in
And there's not a lot for you to feel if you're not feeling it
You bring it up and bring it in and we'll get you fixed up in no time
Cause this love is all I have to give
This love is all I have to give
