

# Telecast, Release The Deep

Open the window  
Release the deep  
Come let Your waters  
Flood over me  
&#039;Cause I&#039;ve seen Your beauty  
Been cleansed by Your blood  
I&#039;ve been in the desert  
I&#039;ve drank of Your love

And as the deep calls unto deep  
I fee Your waves crash over me

&#039;Cause You&#039;re all I ever wanted  
And You&#039;re all I&#039;ll ever need  
Yes, You&#039;re all I ever wanted  
Jesus, You&#039;re all I&#039;ll ever need

Open the window  
Release the deep  
Come let Your waters  
Flood over me  
I&#039;d sail the oceans  
I&#039;d swallow the sea  
Just to eat at Your table  
With You, my King
