

# Television Personalities, Bright Sunny Smiles

There's me and there's Edward, there's Joe and there's Mark  
We play in the garden and we stay out till dark  
And we've all got bright sunny smiles  
And we've all got bright sunny smiles

There's Brenda and Tracey and Lucy and Joy  
They wear mother's make-up and talk about boys  
And they've all got bright sunny smiles  
And they've all got bright sunny smiles

But now we are grown up and life's not much fun  
'Cause when we were children we sat in the sun  
And we all had bright sunny smiles  
And we all had bright sunny smiles

Sometimes we are happy, sometimes we are sad  
When we think of the fun and the laugh that we had  
Now it's so hard to find a bright sunny smile  
It's so hard to find a bright sunny smile

But now we are grown up and life's not much fun  
But now we are grown up there's nowhere to run  
No bright sunny smiles  
No bright sunny smiles  
No bright sunny smiles  
No bright sunny smiles
