Television Personalities, Bright Sunny Smiles

There's me and there's Edward, there's Joe and there's Mark We play in the garden and we stay out till dark And we've all got bright sunny smiles And we've all got bright sunny smiles

There's Brenda and Tracey and Lucy and Joy They wear mother's make-up and talk about boys And they've all got bright sunny smiles And they've all got bright sunny smiles

But now we are grown up and life's not much fun 'Cause when we were children we sat in the sun And we all had bright sunny smiles And we all had bright sunny smiles

Sometimes we are happy, sometimes we are sad When we think of the fun and the laugh that we had Now it's so hard to find a bright sunny smile It's so hard to find a bright sunny smile
