

# Television Personalities, Coming Home Soon

I'm coming home soon... To you  
To our little London flat  
To you and to our two cats  
With its purple painted hall  
Daisies on the wall  
To jacket potatoes  
And cheese on toast  
You're the one that I love the most  
Happy when I'm with you  
But sad when you're not here  
You're the one I love the most

You're the one that I need the most  
And I wish you was here now  
In this little German town  
It's full of people  
They laugh and cheer  
They're happy that I'm here  
I'm happy I'm here too  
But I wish I was with you  
I'm coming home soon.
