

# Television Personalities, I Suppose You Think It's

I suppose you want to know the truth  
I don't really know if I should tell you  
I can hear you all laughing about me  
I can hear you all talking about me

I know I've done some things that may seem strange  
I can't get my ideas from standing out in the rain  
I suppose you want to know the truth  
But I don't really know if I should tell you

I know sometimes my clothes are odd  
But what do you expect from an aging mod  
I used to think life was all worthwhile

The strongest one have a certain sense of style

But you started something and can't you see  
Ever since you the day you had your hooks on (hopes in) me  
I know I don't see things and it may seem strange  
Getting my ideas from the rain

And I suppose you think it's funny  
'Cause every time you laugh, you laugh at me  
Ha ha ha ha, bloody ha ha! Bitch!  
And I suppose you think it's funny  
Jesus, I hate you so much!
