

Television Personalities, Magnificent Dreams

Just carry on dreaming your magnificent dreams
Just carry on dreaming your magnificent dreams
And if you need someone I'll be here to comfort you
I'll be here if you should need somebody

And if you're unhappy I'll share your tears with you
But don't throw your dreams away, tomorrow they may come true
And if you need someone I'll be here if you should fall
I'll be here with open arms to catch you

Just carry on dreaming your magnificent dreams
Just carry on dreaming your magnificent dreams

And if you need someone I'll be here to comfort you
I'll be here if you should need somebody

And if you need someone I'll be here if you should fall
I'll be here with open arms to catch you

Just carry on dreaming your magnificent dreams
Just carry on dreaming your magnificent dreams

And if you need someone I'll be here
