

# Television Personalities, Very Dark Today

I'm feeling very dark today  
Very sad today  
I thought I had it all worked out  
I thought i'd buried all my doubts  
Oh, if could touch the sky I would try  
Oh, if I could grab a star I would try

With all my might  
But I'm feeling bad today  
I thought I had my life worked out  
I thought I'd buried all my doubts  
I'm feeling very dark today
