

# Television Personalities, We Will Be Your Gurus

I will be your Jesus  
I will be your shining light  
I will be your everything  
Just let me in tonight

I'll be your lover  
I'll be your honey  
I'll be your Jesus  
Your guru too

I will be your Buddha  
Won't you let me choose your shoes  
I've got a lot of love to give you  
There's so much that I can show you

I'll be your lover  
I'll be your honey  
I'll be your Jesus  
Your guru too  
I will be your guru

I will be your lighthouse  
Baby, if you're lost at sea  
You're going to hit the rocks  
Better shout "rescue me";

I'll be your lover  
I'll be your honey  
I'll be your Jesus  
Your guru too  
I will be your guru

We want you as a new guru

I will be your new addiction  
Won't you let me turn you on?  
I'll be your new obsession  
Rid yourself of all possessions

I will be your Jesus  
I will be your shining light  
I will be your everything  
Just let me in tonight

We want you as a new guru

If violence is your guru  
If money is your guru  
Let me be your guru
