

# Telsa, Games People Play

Oh the games people play now  
Every night and everyday now  
Never meanin' what they say now  
Never sayin' what they mean

Why they waol away the hours  
In their ivory towers  
To be covered up with flowers  
In the back of a black limosene

Oh, we made one another cry  
Break our hearts when we say goodbye  
Cross our hearts and hope to die  
&quot;Cept the other one's to blame

Neither one will ever feel it  
So we gaze at an 8 by 10  
Thinkin' 'bout things that might have been  
OW, It's a dirty rotten shame

## CHORUS:

Latten da latten da da da  
Latten da latten da da de  
Talkin' 'bout you and me  
And the games people play

People walkin up a to ya  
Singin Glory Hallelujah  
Sayin' what the hell's it to ya  
If I do it in the name of the Lord

Gonna teach you how to meditate  
Read your horoscope, cheat your fate

Brother I'm gonna elevate  
Come on let's get on board

Chorus (x2)

Look around tell me what you see  
What's happenin' to you and me  
God grant me the serenity  
To remember who I am  
Cause you're givin up your sanity  
For your pride and your vanity  
Turn your back on humanity  
OW, When you don't give a damn  
Not a damn

## CHORUS

Latten da Latten da da da  
Latten da Latten da da de  
Talkin' bout everybody  
Talkin' bout you  
Ah you and me  
You and me  
I'm a talkin bout the games  
The games we all play

Latten da Latten da da da (La da da)
