

Telsa, Love Song

so you think that it's over,
that your love has finally reached the end,
any time you call night or day
i'll be right there for you when you need a friend

it's gonna take a little time
time to show your broken heart
don't you even worry pretty darlin'
i know that love's around

Yeah,
Love is all around you,
Love is knockin' outside your door
waitin for you is this love made just for two
keep an open heart and you'll find love again i know it

Yeah,
Love is all around you,
Love is knockin' outside your door
waitin for you is this love made just for two
keep an open heart and you'll find love again i know it

Love will find a way
love is gonna find a way
find it's way back to you
love will find a way
so look around, open your eyes
love is gonna find a way
love is gonna, love is gonna find a way
love will find a way,
love is gonna find a way back to you, yeah

i know
i know
i know
i know
