

Temperance, You Make Me Happy

(S. Jeacocke, H. Der Hovagimian)

Wo-ooo-wo-ooo-woooo-ooo-woooo...

Wo-ooo-wo-ooo-wo-oooo-happy

You make me happy, you make me cry

You give me something that money can't buy

You make my heart stop, you make it race

You know just how to put a smile on my face (face, face)

Without you in my life I wouldn't be the same (no, no)

You make me happy, you make me sad

You give me feelings that I've never had

You make me happy, you are the one

There's no one else like you under the sun

You make me happy, happy, happy, you-oooh-oooh

You make me happy, happy, happy

You make me whisper, you make me scream

You give me pleasure 'till I burst at the seams

You make me shiver, you make me sweat

You give me the best lovin' baby I've had yet

Without you in my life I wouldn't be the same (no, no)

You make me happy, you make me sad

You give me feelings that I've never had

You make me happy, you are the one

There's no one else like you under the sun

You make me happy, happy, happy, you-oooh-oooh

You make me happy, happy, happy

You make me happy, happy, happy, you-oooh-oooh

You make me happy, happy, happy

Without you in my life I wouldn't be the same (no, no, no...)

Aaah-yaa (happy, happy, happy, happy...)

You know you make me happy, you do

Oh ya, oh ya, oh ya

You are my passion, you are my pride

Everywhere I go I go with you deep inside

You are my future, my history

I know we'll be together eternally

Without you in my life I wouldn't be the same (no, no)

You make me happy, you make me sad

You give me feelings that I've never had

You make me happy, you are the one

There's no one else like you under the sun

You make me happy, happy, happy, you-oooh-oooh

You make me happy, happy, happy (oh boy, you make me feel)

You make me happy, happy, happy, you-oooh-oooh

You make me happy, happy, happy

You make me happy, happy, happy
