

Templar, Ground Fx Machine

I like the way you move me
and all the things you tease
I like the way you groove me
when you're on your knees

You let the garden watered down
now I'm stuck in your disease
A dyin' flower in the ground
are you happy, please

Are you well?
Are you happy?
Are you well?
Are you happy?

And so you think I owe you
you got nothin' on me
cause I'm just a number
in your society

I can't believe I'm fallin'
I'm left out in the rain
I can't believe you're callin'
you're my Ground FX Machine

Lift me up,
so high.

I.....
I.....
I....

Oh you know you want it
oh you know you want it
oh and that's the way
oh and that's the way
you know you want it
that's the way
you know you want it

Can't believe I'm falling down again
ah
can't believe I'm fallin down again
ooooh
can't believe I'm near you
I think I'd hate to be you
Can't believe I'm falling down again.
