Templars, Just like them

Heavy boots and a pair of Lee's The outcasts of society There's nothing for you, nothing for me In the society There's nothing for you, nothing for me In the society There's nothing for you, nothing for me In the society There's nothing for you, nothing for me In the society There's nothing for you, nothing for me In the society There's nothing for you, nothing for me In the society There's nothing for you, nothing for me In the society There's nothing for you, nothing for me In the society There's nothing for you, nothing for me In the society There's nothing for you, nothing for me In the society There's nothing for you, nothing for me In the society There's nothing for you, nothing for me In the society There's nothing for you, nothing for me In the society There's nothing for you, nothing for me In the society There's nothing for you, nothi
