

# Temple Of Metal, Black Hosts

King's name, Kingdom of Pain  
Sounds great - Satan  
Satan the sign  
Of Evil power, greed and mad thoughts

It's venom  
The venom and snake  
Eternal call of truths revealed to me  
His first riot and pain

Black hosts of hungry souls  
Chains thrown off till blood

King's disciple, Kingdom of Pain  
Your power rises pleasure and taste  
Of a Black Mess marked with blood

Gives venom  
Gives venom and force  
Eternal call of truths revealed to me  
His first riot and pain

Black Hosts of hungry souls  
Chains thrown off till blood  
Black hosts of hungry souls  
Death  
It's death and fear  
Black hosts of hungry souls
