

Templo Diez, Santa Anita

You been crying, now it's fine
Take your coat, let's go
And I'm sorry I let you down
Well it's life, you know

Almost sunset at the race track,
Almost death, and almost time

Search light shining, cutting glass
Hello Darkness, hello night,

Flashlight turning, cutting veins,
Hello Darkness, hello
Let's go

Almost dawn at the race track,
Almost death, and now it's time

Search light shining, raping glass
Hello day, hello fight,

Flashlight turning, cutting veins,
Hello day, hello
Flashlight turning, cutting veins,
Hello Brightness, hello
Let's go

You been crying, now it's fine
Take your coat, let's go
