Ten Shekel Shirt, Ocean

Lately, I've been thinkin' about You And lately, I've been dreaming of You And lately, I can't get You out of my head Get You out of my head

chorus Something about the ocean Makes me rise up and praise Something about the heavens Makes me stand in awe again Something about the sunrise Reminds me of Your faithfulness Something about the ocean (Your presence) And I'm lost in love again

I'll sing until I sense a smile Upon Your great and lovely face And till I know Your glory's in this place Your glory's in this place
