

# Ten Shekel Shirt, Today

Today I walk, today I run  
The finish line has just begun  
You're with me now I cannot lose  
This ancient love makes me new

In a moment I am changed  
Over time I'm changing

Today I wait expectantly  
In You I dare to believe  
I'm pressing on with hope in You  
There's freedom here in all you do

In a moment I am changed  
Over time I'm changing

Today I come to Your presence  
And drink Your wine  
I'll stay awhile in Your presence  
As Your heart becomes mine

Wide awake in your presence  
I breathe the sky  
I come alive in your presence  
As your life becomes mine
