

# Ten Years After, Help Me

(Sonny Boy Williamson)

You got to help me, now; I can't do it all by myself.

You got to help me, now; I can't do it all by myself.

You know if you don't help me, darling, I'll have to find myself somebody else.

I may have to wash, I may have to sew, I may have to cook. I might mop the floor; but you help me,

If you don't help me, darling, I'll have to find somebody else.

When I walk, you walk with me; and when I talk, you talk with me.

Oh, baby, I can't do it all by myself.

Bring my nightshirt; put your mornin' gown.

Bring my nightshirt; put your mornin' gown.

You know if you don't help me, darling, I'll have to find myself somebody else"

You're talking about your woman, I wish to God man that you could see mine.

You're talking about your woman, I wish to God man that you could see mine.

Every time the little girl starts to loving she bring eyesight to the blind."
