

Ten Years After, It's Getting Harder

(Alvin Lee)

It's getting harder, babe, to love you,
It's getting harder all the while.
And if you want me, tell me; all you have to do is smile.
It's been a long time since I've seen you,
Looking straight into my eyes.
And if you want to leave me, it'll come as no surprise.
I tried to hard - to make a home for you.
Tell me straight now, what am I supposed to do ?

It's getting harder, girl, to love you,
'Cause you're treating me so cruel.
But if it's over, tell me; I don't want to be the fool.
I tried too hard - to work our problems out.
So if it's over, honey please don't drag it out.

It's getting harder, babe, to love you,
'Cause our lives have grown apart.
If you don't want me, tell me; I don't want to break your heart.
I tried too hard - to make a home for you.
Tell me straight now, what am I supposed to do ?

It's getting harder, babe, to love you;
Tell Me what you want with me.
If you don't love me, tell me,
Honey, then I'll set you free.
