

# Tenacious D, Break In City (Storm the Gate)

JB:

The mission is clear,  
i'm going over there  
I'm going to do the mission  
I flip around the corner,  
flat as a pancake

And then i- aww noo! A camera

Stay back here,

devise a plan

Dive into the bushes

(Chorus)

Against all odds

Infiltrate,

storm the gates!

storm the gates!

Ninja style,

samuri (Storm the gates!)

Metal pole,

climb that shit (Storm the gates)

Climb into that mother-fucker

Now i'm climbin up,

up on the roof

I got cat-like reflexes

(Chorus)

Against all odds

Infiltrate,

oh! storm the gates!

Two air-vents on the roof,

thats what the guy was talkin a- Shit!

(Chorus)

Electric Eye

Infiltrate,

storm the gates!

storm the gates!

storm the gates!
