

Tenacious D, Dude I Totally Miss You

Dude, I totally miss you
I really fucking miss you
I'm all alone,
All the time, all the time

Dude, I totally miss you
The things we did together
Where have you gone?

Totally miss the honesty
And special times, and honestly
I totally miss the fucked up thing ya do

Dude, I totally miss you
I totally miss you
Dude, I totally miss you
All the time

Ah, Ah
Ah, Ah

Totally miss the honesty
And special times, and honestly
I totally miss the fucked up thing ya do

Dude, I totally miss you
I totally miss you
Dude, I totally miss you
All the time

(Guitar solo)

Totally miss the honesty
And special times, and honestly
I totally miss the fucked up thing ya do

Dude, I totally miss you
I totally miss you
Dude, I totally miss you
All the time

All the time!
