

# Tenacious D, Dude I Totally Miss You

Dude, I totally miss you  
I really fucking miss you  
I'm all alone,  
All the time, all the time

Dude, I totally miss you  
The things we did together  
Where have you gone?

Totally miss the honesty  
And special times, and honestly  
I totally miss the fucked up thing ya do

Dude, I totally miss you  
I totally miss you  
Dude, I totally miss you  
All the time

Ah, Ah  
Ah, Ah

Totally miss the honesty  
And special times, and honestly  
I totally miss the fucked up thing ya do

Dude, I totally miss you  
I totally miss you  
Dude, I totally miss you  
All the time

(Guitar solo)

Totally miss the honesty  
And special times, and honestly  
I totally miss the fucked up thing ya do

Dude, I totally miss you  
I totally miss you  
Dude, I totally miss you  
All the time
