

Tenacious D, Explosivo (Mocean Worker's Megamix)

Climb upon my faithful steed.
Then we're gonna ride, gonna smoke some weed.
Climb upon my big assed steed.
And ride, ride, ride.

What's the name of the song? Explosivo!
Don't know what it's about, but it's good to go.
What's the name of my girlfriend, I don't know.
But she's built like the shit, and she's good to go, go.
She's good to go, she's good to go.
We are fueled by Satan, yes, we're schooled by Satan.
Fueled by Satan!
Writing those tasty riffs, just as fast as we can.
Schooled by Satan!
We were the inventors of the cosmic astral code.
We've come to blow you away, we've come to blow your nose.
We've come to fucking blow, we've come to blow the show.
We've come to fucking blow!
You know it, you know it
