

# Tenacious D, Friendship

Friendship is rare  
Do you know what I'm saying to you?  
Friendship is rare  
My derriere  
When you find out much later  
That they don't really care

It's rare... to me  
Can't you see  
It's rare... to me  
Can't you see?

Oh shit, there's a bear  
Could you hand me that shotgun, buddy  
Also that chair?  
We're fighting a bear  
Now your life's in great danger  
And you don't even care

It's rare... to me  
Can't you see?  
It's rare... to me  
Can't you see?  
It's rare... to me  
Say a prayer... for me  
Cuz it's rare to be in Tenacious D

Friends will be friends - they're running naked in the sand  
Friends holding hands - they'll someday surely form a band  
Friends will be friends - they say that friends are friends to the bitter end  
As long as there's a record deal we'll always be friends  
As long as there's a record deal we'll always be friends

Friends will be friends - they're running naked in the sand  
Friends holding hands - they'll someday surely form a band  
Friends will be friends - they say that friends are friends to the bitter end  
As long as there's a record deal we'll always be friends  
As long as there's a record deal we'll always be... friends..... yeah.
