Trying to hold on to this feeling for so long  
And if you feel like i feel, sugar  
Come on AARRGGHH Come on Woohoo

We are all sensitive people  
With so much to give  
Understand it sugar  
Suits we got to be  
Let's live  
I love you  
And there's nothing wrong with me loving you

And giving yourself to me can never be wrong  
If the love is true

How sweet and wonderful life can be  
Aaah
