

Tenacious D, Low Hangin' Fruit

Well me and Kage are hungry
We're hungry for some fruit
We wander through the garden
It would be a hoot

To eat some low hanging fruit
We're on a freaky pursuit
Don't want no high class model in designer fu**ing bathing suit
We want the low hanging fruit

Me and Kage are horny
Looking for a snack
Looking for a plump one
With a tasty crack

We want some low hanging fruit
She wears a bee keeper suit
She got the shit kickin boots
We need the low hanging fruit
She got the flip flops on with hot red potatoes
And a butt floss thong with fried green tomatoes
And she loves the song we sing for the ladies c'mon! Oh my God!

Low hanging fruit
She wears a pink parachute
She got the fly tattoo and the honky tonkin' daisy dukes
We love the low hanging fruit

Because the high class fruit is not gonna fu**k me
But the low class fruit is sweet chunky monkey
When you smoke that bood it smell like a skunky c'mon!

C'mon! C'mon! C'mon!
