(spoken)

Kyle Gass: Jack.

Jack Black: Yeah?

KG: Do you think some people... do you think that there's some people that aren't really... that are

JB: No.

KG: ...that we can't tell...

JB: No, we don't have the technology yet. But Rage. Rage. Rage...

KG: Yeah?

JB: You know what I was thinking? Stop playing. I was thinking of a fucking brilliant song.

KG: Yeah?

JB: Check it out, just do what I do.

KG: Ok.

JB: Just play this note. And then we both keep playing... just keep both playing that note. Every on

KG: Oh..

JB: See, it's fucking simple. That's one song in the bank. Next song.

KG: Is, uh?

JB: Next song!

KG: How can? But it's one note...

JB: Next!

KG: Anybody could have wrote it, anybody could have done that. Its one song, its one note.

JB: But guess who did write it... ME!

KG: Yeah but did you... did you write the, the listen...

JB: Dude I did, I told you to do the bending every once in a while!

KG: Oh yeah you did.

JB: Woohoo, I win!

KG: Shit.

JB: I win. One to nothin'!
