

TEO, Immortal (Polska - piosenka na Eurowizja 2025)

What if the love is just immortal?
I'm looking for the answers in the eyes of strangers
You know all of me, you know I can hurt ya
'Cause every true love story always got some tragedy

Hold me very tight when I am feeling so alone
Hold me till the end, until the day we get to know
We're all used and beaten up, losing faith and losing hope
Every time I'm all by myself

Ooh, baby, I don't wanna end it
And even if I know it hurts
I'll be standing next to you again
Baby, I don't wanna end it
And even if I know it hurts
I'll be standing next to you

One day my mother, her intuition's always right
Told me she's the one that I should always take a fight
(The whispers in my mind says)
I'll never be enough for her (I'll never be enough)

You know how to talk to me when I am too tired
You always put trust in me whenever I lie
I'm sorry, but only you can fix me, oh

Ooh, baby, I don't wanna end it
And even if I know it hurts
I'll be standing next to you again
Baby, I don't wanna end it
And even if I know it hurts
I'll be standing next to you

Ooh, ooh, ooh, ooh, ooh
You know I'll be next to you

(Ooh) Baby, I don't wanna end it
And even if I know it hurts
I'll be standing next to you again
Oh, baby, I don't wanna end it
And even if I know it hurts
I'll be standing next to you
